**Subject: Alcomsat-1 Network Resolution 609 Annex Commitment Letter**

Dear Sir/Madam

The information herein is provided to satisfy criteria 2 of the annex to Resolution 609 (WRC-03).

The Algerian Space Agency (ASAL) signed on 17 September 2013 a firm-fixed price contract with foreign company to design, construct/manufacture and launch an Algerian Communication Satellite Alcomsat-1.

The signed contract milestones are as follows:-

- Effective Date of Contract: 17 September 2013
- Preliminary Design Review: Dec. 30, 2013
- Critical Design Review: Apr. 30, 2014
- Satellite Assembly: Feb. 28, 2015
- Launch: Jan. 31, 2016.

The relevant launch information for AlcomSat-1 based on the contract are as follows:

- Launch date: January 31, 2016
- Launch site: Xichang, China

- Launch service provider: China Great Wall Industry Corporation.

ASAL will pay for the total cost of the satellite.

ASAL is ready to share the evidence of all these arrangements with any other interested administration in furtherance of its obligations under this Resolution.

Best regards,
